Letter of Recommendation

Bludenz, 22 October 2013

Ms Susanna Lederhaas was employed in our company from 5 July 2010 to 28 June 2013. Until 8 October 2010 she successfully completed an internship in our company during her Intermedia Studies at the University of Applied Sciences in Vorarlberg. Subsequently Ms Lederhaas became a part-time employee until completion of her Master Studies (most approx. 2 days a week).

During this period of time she worked on a number of projects independently as well as in teamwork to our full satisfaction.

Her work ranged from analysis and conception to design of print and internet projects, as well as photographic work, corporate design, writing texts and web editing.

These tasks were completed with extraordinary diligence and accuracy. Due to Ms Lederhaas excellent apprehension as well as learning ability she was able to adapt easily to new assignments, She also distinguishes herself through her technical understanding (e.g. in photography).

Her conduct towards clients as well as co-workers was exemplary at all times. Ms Lederhaas has resigned from our company at her own request. We wish her very much success for her future career!

Yours sincerely

Bernhard Dragosits
Manager Webdesign and Web Development
